

Communication – September 29, 2009 to certain Class A Note holders

Dear All,

Further to the consent letter reference BC/A3/BoNY/RR/09/LTR0627 dated 15th September 2009 sent to yourselves, we urgently require your thoughts on the interim proposals mentioned in the letter. The situation is quite urgent and serious. We believe that we need to obtain the interim accommodations mentioned in aforesaid letter to ensure compliance with Omani laws (including directors/ management responsibilities there under on exercise of reasonable care pertaining to declaration of insolvency) and in terms of our contractual and other responsibilities under the Transaction Documents.

Thanks and best regards, Richard
