Dear Mr. Deshmukh,

Further to our email below, we have received instructions from the underwriters that they would require a written commitment by you to pay and advising the estimate date of payment which is acceptable to them. The date that has been suggested is 20 days from 23rd February 2010 as mentioned by you verbally.

The underwriters require this by the close of day today failing which they have mentioned that they would issue a notice of cancellation.

Therefore, we kindly request you to revert to us immediately with your written confirmation on the exact date of payment in order for us to get back to the underwriters and avoid them from issuing the notice of cancellation.

Thanks & Best Regards,

Mahira
