**Importance:** High

Dear Ferona, David,

Since we have made this appeal we have received a letter (Oct 12<sup>th</sup>) from counsel representing 80% of the Class A noteholders requesting that we withdraw our request for a consent meeting. Further we have now received a draft Standstill Agreement (Oct 23<sup>rd</sup>) from counsel representing the group.

Based on the above we no longer need to pursue a noteholder meeting.

Thanks and best regards, Richard
